Hazard Notice!

Gasoline & other fluids MUST BE REMOVED from all small engines *prior* to disposal at the SCMUA

- All tanks must be drained of gasoline from small engines such as power equipment, lawnmowers and boats prior to disposal at the SCMUA.
- Used gasoline can be brought to the SCMUA Household Hazardous Waste Collection Events (11/2/13 or 6/7/14) or Morris County MUA HazWaste Facility (contact: 973-631-5109)
- Lawnmowers, boats, and other power equipment can be properly disposed at the Resident's Convenience Area, once emptied of gasoline. (Lead acid batteries should also be removed from all lawn tractors.)
- Appropriate disposal fees shall be charged.
