FARMS

Andover Township is rich in agricultural heritage. Our family farms are major contributors to the quality of life that we enjoy in Andover. Please stop in to give them your support.

Andersen Farm Stand

209 Newton Sparta Road, Andover Twp., NJ 07860 973.579.2202
Family owned and operated since 2003 with three locations. The Andover Farm Stand offers daily picked fruits and vegetables they grow on their local farm as well as locally produced milk, eggs, ice cream, butter and more.

Blind Brook Farm

70 Goodale Road, Andover Twp., NJ 07860 973.383.4109
This second-generation farm provides year-round horse boarding, and lambs in the spring. Adjacent to the Wooden Duck B&B and Kittatinny Valley State Park, this 100-acre preserved farm has been in production since the 1790's.

Brickyard Farm

50 Greendale Road, Andover Twp., NJ 07860 973.383.4028
Located on 30 acres on the Pequest River, this small family-owned farm sells self-service eggs and lambs in spring for holiday celebrations. Call in January to order live lambs for Easter.

Circle Brook Farm

141 Brighton Road, Andover Twp., NJ 07821 973.332.6935
Diversified, certified Organic farm offering types of vegetables you will never find in the supermarket. They sell at local farmer's markets and offer CSA shares.

HarBee Beekeeping

408 US 206, Andover Twp., NJ 07860 harbeebeekeeping.com
HarBee Beekeeping maintains honey bee colonies in the area while selling honey and candles Friday-Sunday at their store. HarBee hosts classes and education programs for all age levels.

St. Paul's Abbey Christmas Tree Farm

289 US-206, Andover Twp., NJ 07860 973.362.8273
newtonsb.org/2020-christmas-tree-map-information
The relationship between St. Paul's Abbey and Christmas trees goes back to the founding of the monastery in 1924. Since 2009, the Brothers have been using organic farming methods. Trees are offered after Thanksgiving.

27 Pierce Road, Andover Twp., NJ 07848 973.579.7382
sunsetviewfarm.com
Twenty acre-farm with breath-taking views. They grow a variety of flowers and crops and host a vibrant community garden and share-croppers. Join the community garden or stop by the seasonal farm stand.

Sussex County Strawberry Farm

565 US-206, Andover Twp., NJ 07860
sussexcountystrawberryfarm.com
Two families growing quality fruit for over 30 years. This farm is a must visit for pick your own strawberries and nursery stand with quality grown flowers and plants.

YB Farm

31 Pierce Road, Andover Twp., NJ 07848 973.383.4701
ybfarm31.com
Eco-conscious, hydroponic and soil farm offering memberships and a stand. They grow fruits, vegetables, super greens, and everything in between. They use only organic growing principals and a greenhouse that is operated year-round.

SAGe SUSTAINABLE AGRICULTURE ENTERPRISES

290 Route 206 South, Andover Twp., NJ 07860
foodshedalliance.org/sage
Innovative farm program of the Foodshed Alliance providing affordable land access to NJ farmers. SAGe farmers use natural growing practices and work cooperatively with each other and the community. Current farmers include:

All Things Good

jerseybeecrazy@gmail.com
A woman-owned medicinal herb and flower farm, focused on handmade products for healing. Connect with them for classes and workshops.

SAGe (continued)

Dark Earth Farms darkearthfarms@gmail.com 908.642.0577
First-generation biodynamic farm with a unique and innovative approach in offering top quality hemp, vegetables and specialty products at an affordable price. The thirteen acre operation will include hemp for wholesale, CBD products for direct consumer sales, vegetables, and medicinal mushrooms.

Growin' Folx growinfox@gmail.com
A 1st generation family-owned, 50% woman owned/operated vegetable farm.

Lionshead Bee Farm 973.592.1818
The SAGe beekeeper helps the farmers pollinate their crops by building sustainable bee colonies. Connect with them for naturally produced honey and beeswax products.

Munsee Three Sisters Medicine Farm
munseethreesisters@gmail.com 973.903.9560
Munsee Three Sisters Medicine Farm is a Native American-owned company benefitting the Ramapough Lunaape Nation by growing food, offering employment, and offering part of its profits to social service programs. The farm is cultivating vegetables, garlic, hemp and heritage crops.

Seeds of Peace seedsofpeace290@gmail.com
A family farm growing vegetables, fruit and raising pastured chickens for farm fresh eggs. Watch for workshops on this biodynamic business.

Seek No Further Fruit Farm
Peter Tischler is putting 15 years of growing experience to establish a diverse, organic orchard. His crop features 150 apple varieties (many of historic significance) pears, plums, peaches, cherries, apricots, and berries. Peter worked at Ironbound Hard Cider where he established, designed and planted 8,000 cider apple trees.

Sussex Co. Community College's School of Agriculture
sussex.edu/academics/degrees/agricultural-business
Sussex County Community College's School of Agriculture will run a fully organic Student Farm onsite, cultivating and harvesting crops and supplying them to the college's Culinary and Hospitality department to provide a farm-to-fork experience for student diners on campus. The five-acre plot will serve as an outdoor laboratory for Horticulture Science and Agriculture Business majors.

USA Agro Farm usaagrofarm@gmail.com
A goat, chicken and vegetable farm whose owner brings his farming experience from his family farm in Nepal.
