

SUSTAINABLE ANDOVER'S

#AndoverTownshipSunflowerExperience

August 21 – September 5

Enjoy the first ever Andover Township Sunflower Experience! The Sunflower Experience is Andover's way to celebrate the beauty, bounty, and heart of our community—our farmers! Please visit Andover farms growing sunflowers (and other produce), both for sale and for your visual enjoyment.

You can Create-Your-Own-Andover-Township-(self-guided)-Experience using the Sunflower Experience map. Spend a late summer day enjoying the thousands of sunflowers on acres of rolling farm fields through town and the special promotions our locally owned businesses will be providing. While in Andover, visit our locally owned restaurants and businesses, book a stay at our B&B, enjoy family & world class recreation. Andover is home to over 2,000 acres of parks, 20 miles of trails—family playgrounds, hiking, biking, kayaking, wildlife, and much more.

For an updated description of what the farms and businesses are offering during the Sunflower Experience download the interactive map at sustainableandover.webs.com and follow us on Facebook and Instagram @sustainableandover.
