

Friends and neighbors:

I am pleased to announce the merger of the Lackawanna and Newton Little League Baseball Programs this season for the benefit of our our Newton, Andover and Green area youth.

We are also pleased to join a number of our area's youth programs in the use of Sports Illustrated Play (formerly Sports Sign-Ups) as our primary Operating System.

Our new [Sports Illustrated Play website and registration system](#) will be familiar to many of you who participate in other Newton, Andover, Green youth sports programs.

If you have a Sports Illustrated Play youth program account for another area sport (i.e., [NBYFL](#), [NBLAX](#), or [Newton Rec Bball](#)), please be sure to use your SAME log in credentials (User Name and Password) from those accounts when creating your new Little League Baseball Account. This will afford you many conveniences in the future using the system and most importantly our mobile TeamWall app.

We are in the process of updating our Board and Charter information, as well as providing our members with a host of other on-line resources on our new site. So, please stay-tuned.

In the meantime, if you have any baseball program questions please do not hesitate to reach out to me. If you have any registration or member portal issues please contact Shelley at lackawannanewtonbaseball@gmail.com. Shelley will be glad to assist you.

I am looking forward to great things from our merger and to carrying on the tradition of terrific Little League Baseball in our community. I am glad to have you and your player(s) on-board.

--Bill Young, President
