

**ANDOVER TOWNSHIP
TRASH AND RECYCLING INFORMATION FOR 2012**

PLEASE NOTE: Electronics can no longer be put curbside. The state has mandated that all electronics be properly recycled. The SCMUA (Sussex County Municipal Utility Authority in Lafayette) and all landfills have been notified by the state that as of *January 1, 2011*, landfill disposal of electronics is prohibited. Some options that we know are available at this time:

- SCMUA periodically offers free e-cycle days. Any other time you take an electronic item to the landfill, the fee is dependent on the weight of the item(s).
- Best Buy takes TVs for recycling at their stores (they charge \$10, but you then receive a \$10 store credit).
- Manufacturers are required (by the NJDEP) to have e-cycling options available to customers of their products.

NJ DEP has an "E-cycling" website: www.state.nj.us/dep/dshw/recycling/Electronic_Waste/index.html

THESE SERVICES ARE HANDLED BY THE TOWNSHIP DEPARTMENT OF PUBLIC WORKS

BRUSH PICKUP will be **October 1, 2011 through April 15, 2012**, weather permitting. The cut end of the brush must be facing the roadway and be neatly piled, not crossed. The maximum diameter of limbs is **3** inches. For safety reasons, thorn bushes and briar bushes **will not** be picked up. **Please note:** brush pick up is for our *residents' convenience* when clearing away overgrown trees and bushes, or when storm damage occurs. We do not have the man power or large machinery to pick up huge amounts of brush. Any **commercially cut** trees or bushes causing an abundance of brush cannot be picked up by our DPW crew. The SCMUA Recycling Center located on Rte. 94 in Lafayette is available to all residents. Their phone number is 973-579-6998.

CHRISTMAS TREE DROP OFF During the Month of January, trees should be brought to the lower parking lot at Hillside Park, Lake Iliff Road. When weather permits, the trees will be chipped into mulch and will be available to all residents. ***Christmas trees will not be picked up curbside.***

Plastic Bags should not be thrown out in trash or with recyclables.
They can be recycled at most grocery and department stores.

Fiber = Cardboard; Newspapers; Magazines; Junk Mail/Paper; Food and tissues boxes.

Commingled = Glass, Plastic, Aluminum and Tin. **NEW ADDITION:** We now can include wax coated containers. For example: juice boxes, milk, soup and broth cartons.

Freon and Metal Pick Up Must be scheduled for the last Wednesday of the month. Call: 973-383-4280 X224	JANUARY		FEBRUARY		MARCH
