# BHT FOR THE COMMUNITY

BHT is proud to announce a proposed trail for the Andover Community\*

**Community Assistance:** In recent unprecedented times, BHT has given back to the community, including food and PPE donations; and can provide assistance to individuals and organizations at: [andovercommunity@bhtpropertiesgroup.com](mailto:andovercommunity@bhtpropertiesgroup.com).

**What BHT's operator does:** stores and sells registered vehicles online to registered clients and not to the general public!

**What Junkyards do:** collect, separate and dismantle scrap before selling vehicle parts to the general public. We are not a junkyard!
